IN AMERICA: In the afternoon of September 14, we landed in Atlanta, Georgia, after traveling overnight via Amsterdam. We are thankful for Righteous Rides (www.righteousrides.org) from whom we are able to lease a 2014 minivan at an affordable cost. The next day, after spending the night near the airport to get over jet lag (and to remind ourselves which side of the road we should drive on!), we headed to Oxford, Alabama, and our home church, Trinity Baptist Church. Our first couple of weeks in America included settling into the house that our home church had so graciously prepared for us, seeing family for the first time in over four years, preparing our ministry update video presentation, and getting other supplies necessary for life on the road during furlough.

IN CHURCHES: Fifteen days after we landed in Atlanta, we had our first meeting 1,000 miles away in upstate New York. Next, we headed to a missions conference in Pennsylvania, then west to Ohio and Illinois and south to Tennessee. November has brought us to the Carolinas and Alabama. We certainly appreciate your prayers for us as we travel, homeschooling along the way. It is a privilege for us to come in person to so many of you and to rejoice with you over what God is doing in Uganda.

IN UGANDA: At Faith Baptist Church (Namugongo), God continues to work. We had a record 62 in attendance for our first anniversary on September 2, and nearly 20 adults signed the church covenant! Through social media, we have been able to continue communicating with many in the church, edifying and encouraging one another and deepening relationships. Praise the Lord for His church that He continues to build and for the people He is assembling. It is wonderful to be a part of this church plant with faithful Christians who love the Lord! Right now, Jim & Carla Junge, are leading the church through the beginning of December. Then they will return to the USA as the Tony Applegate family returns to Uganda. The Applegate and Dwire families will be working together as a church planting team to advance Faith Baptist Church in maturity and to prepare African church leadership. Please pray for the Junges and Applegates as they prepare to relocate in December.
